Mission Statement for The Annual Ohio Foot and Ankle Scientific Seminar

The OFAMF's and OHFAMA's educational mission is to purposefully advance the art and science of podiatric medicine by providing the highest quality of didactic and clinical learning experiences to Ohio and West Virginia members, non-members, and their medical assistants, and shall include a variety of instructional sessions aimed at significantly enhancing patient care, treatment protocols and practice efficiency. The program may include interactive educational adult learning methods and principles utilizing lectures, panel discussions, point-counterpoint, excuse the interruption forums, case studies, question and answer, handouts, audio visual materials (including media or narrations), hands-on workshops and roundtable discussions with moderators to achieve a well-rounded venue of postgraduate instruction. (ADOPTED APRIL 2017)

KEY GOAL

To achieve 25 Hours of CME Category I in evidenced based podiatric medicine for professional development.

OBJECTIVES

Upon conclusion of the Annual Seminar, podiatric physicians will be able to:

- be knowledgeably informed or recall information regarding podiatric conditions, maladies or circumstances relating to the practice of medicine and podiatry
- extrapolate by comprehension, understanding or perception the insight gained via lecture and discussion relating to the practice of medicine and podiatry
- formulate or infer by application case relevance relating to the practice of medicine and podiatry
- distinguish by analysis the appropriate modalities in the treatment, care and protocols of current trends, application and practices of medicine in podiatry
- generalize, synthesize, or deduce by classification ways to develop treatment protocols based on current literature and evidenced based medicine
- compare, contrast and evaluate judgment values for those ideas presented between medical and surgical applications

Welcome!

Welcome to The 101st Annual Ohio Foot and Ankle Scientific Seminar

Continental Breakfast & Breaks

Included with your registration, join us in the Exhibit Hall for a light daily continental breakfast and for all scheduled breaks on Thursday and Friday. On Saturday, join us in the Conference Center Lobby area for breakfast and breaks.

Lunch and Learns

Thursday and Saturday will offer 3 diverse Lunch and Learn options. Enjoy a private 90-minute lunch with lecture hosted by one of our sponsors with the opportunity to earn CME credit. Tickets must be picked up at the sponsors exhibit booth. **Each session is limited to 40 registrants and tickets are available on a first-come, first-served basis.**

Exhibitors' Marketplace on Friday

Lunch (included with your registration) is provided to all registered attendees in the Exhibit Hall at the Marketplace. This event is 90 minutes — exclusive with all exhibitors. No CME is provided; there are no opposing lectures. You must wear a name tag for admittance. **Be sure to visit all exhibitors and have your Play To Win Cards marked for your chance to win door prizes during the Friday afternoon break. Exhibitors' participation supports the podiatric profession. Please let them know how much you value their presence and participation at The Annual Seminar.**

Exhibit Hall

Exhibits are Thursday and Friday only. You must wear a name tag for admittance. Scanning will occur in the Exhibit Hall in selected areas prior to 11:00 am and 4:00 pm daily. Exhibits will dismantle after the 3:30 PM break on Friday afternoon.

Scanning

Participants must be scanned prior to 11:00 am and 4:00 pm. NCR forms attesting to attendance per session must be

completed and remitted before conference departure for CME certificates.

General Information

A confirmation email will be sent following receipt of your registration. Registration materials, including scanning information, will be provided in your registration packet. To receive member pricing, you must be a current OHFAMA or APMA member.

We suggest that you bring a sweater or jacket to ensure your comfort at all sessions. CPME hours do not apply to practice management sessions. Please remit your CME signature sheet (white copy) before your hotel departure. You retain the yellow file copy.

Nondiscrimination

No person shall be denied registration or participation in any continuing education program provided by this Association for reasons of race, religion, sex, national origin or physical ability. This program is ADA Compliant. Please notify our staff when registering if you require special accommodation for training or attendance at (614) 457-6269.

Registration

You must sign for your Annual seminar packet at the conference Registration desk. Total CME credit 25 contact hours.

Thursday Hours

9.5 total hours.
Include 1.5 hours for Lunch and Learn (only if attending).

Friday Hours

7.5 total hours.

Saturday Hours

8 total hours.
Include 1.5 hours for Lunch and Learn (only if attending).

Conference Attendance

Registration and payment does not automatically result in the issuance of any CME credit. There are two methods of attendance verification; scanning and an NCR form. Attendees will be scanned twice each day to verify attendance. The paper NCR form attests that you have attended the program for the number of CME hours awarded. Please retain one copy for your file for state licensure audit. A signed copy is required to receive the Certificate of Attendance. Please remit your CME white copy signature sheet before your hotel departure at the seminar registration desk.

Consent to Use of Photographic Images

Registration and attendance at or participation in OFAMF/OHFAMA meetings, academy functions and other activities constitutes an agreement by the registrant to the use and distribution (both now and in the future) of the registrant or attendee's image in photographs, videotapes, and electronic reproduction of such events and activities for marketing and professional use.

Cancellations

A \$50 administration fee will be charged. Cancellations must be received in writing to OFAMF/OHFAMA prior to **May 19, 2017**. No refunds for cancellations will be honored after that date.

Online Registration

Register online at www.ohfama.org; FAX at (614) 457-3375; or mail to: 101st Annual Foot and Ankle Scientific Seminar, 1960 Bethel Rd Ste 140, Columbus, OH 43220-1815. Make check payable to OFAMF/OHFAMA. **Registration closes on May 31. Registrations postmarked after that date will be charged the \$50 on-site registration fee without exception.**

On-Site Registrations

Online and faxed registration will be closed on May 31; registration cannot be confirmed after that date. **After May 31, you must register on-site at the meeting.** For on-site registration, add \$50 to the above fees (excludes residents, students, guests, Life Members).

Changes to Lectures or Schedules

We reserve the right to adjust or change any lecture or schedule due to unforeseen scheduling conflicts, registration, or as otherwise deemed necessary. Note: There are limited spaces for selected events; registrations are on a first-come, first-served basis.

Hotel Rates

A special discounted room rate for our conference is \$177 per night plus tax. Reservations must be made by May 7, 2017. Individuals cancelling a reservation must do so by 4 PM the day prior to their scheduled arrival date or a charge of one night's room and tax will be charged to the individual's

credit card. Mention you're with the OFAMF/OHFAMA to receive the discounted rate. Rooms go quickly. Reserve yours as soon as possible! For reservations, call (614) 414-5000 or go to www.hilton.com and use the group code: **OFR**.

Thank you for using the Columbus Hilton at Easton for your hotel reservations for the Annual Seminar. By utilizing our room block, we are able to reduce the overall costs associated with producing the seminar. These savings allow us to offer reduced registration and special events that are included in the registration.

Hotel Location

The Columbus Hilton at Easton is located at the Easton Town Center, featuring over 100 of the area's finest shops, restaurants, entertainment and nightspots. Easton offers upscale shopping, family entertainment and many dining options—something for everyone! The Hilton Columbus is conveniently located at 3900 Chagrin Drive, near the intersection of US I-270 and Easton Way, adjacent to Easton Town Center. For specific driving directions, go to www.columbusoh.hilton.com and click on Directions and Transportation.

CPME and CME Credit

This Seminar has been accredited by the Ohio Foot and Ankle Medical Association as an approved sponsor by the Council on Podiatric Medical Education as well as the OFAMF Continuing Medical Education Accreditation Committee (the certifying agency in Ohio for podiatry). CPME and CME credit is established at 25 total contact hours for the State Medical Board of Ohio. Hours are calculated from the electronic badge scanners. Complete scanning hours and locations will be provided on-site in your packet. Please note: Registration and payment do not automatically result in the issuance of continuing education contact hours. Scanned name badges and NCR CME forms verify attendance. The attendee must attest that he or she has attended the program for the number of continuing education contact hours awarded.

Audience

The intended audience for The Annual Seminar is physicians, resident physicians, students of

podiatric medicine, and podiatric assistants. For physicians and students the skill, knowledge or experience is equated with their scholarship, license limitations or practice area. Presentations are post-graduate physician level. Our venues provide participants the opportunity to question the faculty or offer comments to the program content. Continuing education hours are based on clock hours. This program has been validated for 25 contact hours and CME hours in Ohio.

Name Badges

An OFAMF name tag **will be required** for all Annual Seminar attendees and does not automatically result in the issuance of any CME hours.

PICA

PICA policyholders who attend the PICA risk management lecture at the 2017 Annual Foot and Ankle Scientific Seminar are eligible to earn up to a 15% premium discount on their insurance renewal. Following the PICA lecture there will be a Welcome Reception hosted by PICA for all Annual Seminar registrants on Thursday from 5:30-6:30 pm. We hope to see you there!

Creating Solid Foundations, Earning and Maintaining a Valued Reputation, Striving to Provide the Highest Quality Patient Care and Determining the Right Time for Practice Expansion

Objective: Whether you are finishing residency and considering the idea of opening your own practice, currently working as a solo practitioner and wondering if it is time to take on a second provider, or if you and your partners are expanding to a fifth location, the question remains the same: How do I create and maintain a successful practice in the ever-changing world of medicine? Patient demographics, staffing levels and training, scheduling techniques, practice hours, and last but not least, the senior physician's (practice owner's) role as an effective delegator and efficient provider. Join us as we examine commonly experienced scenarios from determining if you have what it takes to start a practice from scratch, timing the employment of your first associate doctor, to the training and shadowing process.

Podiatric Dermatology Essentials: What, When, How — A "Hands-On" Workshop Friday, June 9, 2017

Time: 1:30 – 3:30pm

Presented by:

Wayne Bakotic, DPM

The key to podiatric dermatology is the understanding of simple biopsy techniques, their indications,

and application in podiatric medicine. Attendees will review various dermatological manifestations of both systemic disease, and localized neoplastic conditions, which often go undiagnosed in podiatric practices. The utility of various techniques, including fine needle aspiration, will be discussed and the indications for each will be summarized in the context of a "hands-on" workshop.

Support Podiatric Resident Research

Gerard V. Yu, DPM Scientific Paper Competition

"Dr. Gerard Yu's life was a living testament to embody the highest standards and principles of both professional and personal conduct, while achieving nationally the highest standards of medical and surgical proficiency with an ongoing and continual dedication to excellence.

— FROM DR. BRUCE BLANK, PAST PRESIDENT OF OHFAMA AND A FORMER STUDENT OF DR. YU.

The Gerard V. Yu, DPM Scientific Paper Competition will be held on Thursday, June 8, 2017. This is an opportunity for active resident members of the Ohio Foot and Ankle Medical Association to showcase their talent and hard work in the presentation of their research.

The OFAMF Abstract Poster Competition

The OFAMF Abstract Poster Competition will be displayed in the Regent Foyer for attendees to review Case Studies and Scientific Studies submitted by resident members. This additional competition format further represents Dr. Yu's life's work in education and his personal belief in excellence in presentation format.

2016 Resident Poster Competition Finalists

FRIDAY June 9, 2017

8 Hours CE Approved by the
American Society of Podiatric
Medical Assistants (ASPMa)

7:30 am – 7:45 am Welcome and Introduction

7:45 am – 8:15 am
Marc Greenberg, DPM
"Anatomy Terminology and
Commonly Treated Podiatric
Conditions for the Podiatric
Assistant"
Every team member should
understand the basics and be
able to work together to provide
the best possible service to
patients.

8:15 am – 9:15 am Animesh Bhatia, DPM and Cindy Pezza PMAC "DME, Compliance, Coding and Recognizing Patients in Need"

See how easily you can help
your doctors increase patient
satisfaction, compliance, out-
come and practice revenue by
offering the DME services and
treatments that so many of your
patients need. This lecture will
provide the inspiration needed
for physicians and their teams
to return to the office and begin
developing and implementing
comprehensive treatment plans
incorporating DME.

9:15 am – 10:15 am Michael Brody, DPM MIPS and MACRA – What You Need to Know

Reporting Quality Care, Practice
Improvements and Advancing
Care are the three elements of
MIPS that all assistant's must
understand. The session will
review the role of the Podiatric
Medical Assistant to enable the
practice to achieve high perfor-
mance in the MIPS program.

10:15 am – 10:45 am BREAK

10:45 am – 11:30 am Cindy Pezza, PMAC "In-Office Dispensing—Great for your Patients, Great for your Practice"

Join us as we review the latest
and greatest in dispensing
products that will improve pa-
tient compliance, satisfaction,

outcome and practice revenue,
as well as the staff's role in
dispensing (and the rewards
involved for all).

11:30 am – 12:00 pm Cindy Pezza, PMAC "Documentation for the Front and Back Office Assistant"

Recording of information begins
at the time of the initial phone
call and continues all the way
through the patient visit. In our
busy offices, it is important that
we help each other by keeping
a close eye on the details and
double checking our work. We
will explore the most common
reasons for insurance denials as
well as details, that when omit-
ted can lead to legal trouble for
doctors and practices.

12:00 – 1:30 PM | LUNCH Exhibitor's Marketplace (lunch included with your registration) | Easton Grand Ballroom

1:30 pm – 2:15 pm Cindy Pezza, PMAC Your Role in the Internal and External Marketing of Your Practice

In this presentation we will dis-
cuss marketing ideas that you
can take home with you and put
into action immediately for your
practice. We will focus not only
on what the marketing ideas are,
but also how to implement them
into your practice in a stream-
lined fashion. If you're looking
to take your practice to the next
level through proven marketing
ideas and strategies that can
efficiently and effectively be
implemented in a short period of
time then this is the presenta-
tion for you!

2:15 pm – 3:00 pm Cindy Pezza, PMAC Patient Evaluations (Role Playing)

Every team member's role
in preparing patients for our
doctors is equally as important.
Step by step, from their initial
call to the office, all the way
through insurance verifications,
demographic and medical
history collection, condition
evaluation and preparation for
possible procedures, podiatric
assistants make it possible for
doctors to diagnose and develop
a treatment plan in the most
efficient way possible. Here we
will explore ways to quickly and
accurately obtain the informa-

tion our doctors need to improve
patient satisfaction, outcome
and production

3:00 pm – 3:30 pm BREAK

3:30 pm – 4:00 pm
Sarah Abshier, DPM and
Animesh Bhatia, DPM
Common In-Office Procedures
and Their Coding and Billing
In this presentation we will
review the four most com-
mon clinical office procedures
including pre-operative setup,
procedure and technique as
well as the appropriate coding
and billing (to make sure your
doctors are paid for the services
they provide).

4:00 pm – 4:30 pm Cindy Pezza, PMAC Effective Communication Strategies in your Practice and in Everyday Life

Effective communication skills
are one of the most important
tools you can apply, not only in
your podiatry practice, but also
in your social lives, in your fami-
lies and so on. From the dawn of
time, human beings have been
communicating with one another
to verbally portray a message.
Over time, these skills have
been researched and refined
making our ability today to bet-
ter communicate with our peers
virtually unlimited. We will dis-
cuss effective communication
strategies and as importantly,
spend some time focusing on
our listening skills to support our
communication efforts.

4:30 pm – 5:00 pm
Cindy Pezza, PMAC
Scheduling Tricks and
Techniques to Keep our
Doctors Moving
Join us as we dissect the "bottle
necks" that keep our patients
waiting and the solutions that
will assure increased efficiency
and decreased stress (for our
fellow team members and our
doctors).

5:00 pm – 5:30 pm
Sarah Abshier, DPM, Animesh
Bhatia, DPM, Marc Greenberg,
DPM, Cindy Pezza, PMAC
Office Successes and Fails
Panel and group discussion
on real office experiences that
everyone can learn from.
