Luci,

The Bylaws Committee has finished it's work on two versions of the proposed bylaws for our members to review. That plus several other documents attached will need to be posted on the OHFAMA website in a members only place. I would add to these attached documents a few things you already have on the site but would be helpful to have a copy next to the attached documents, including:

- Current OHFAMA bylaws
- OHFAMA HOD Resolution 19-01

With Dr. Kunig's approval, I would like an email to go out to members to notify them that this information is available for them to review and comment. We probably need a deadline to give members so I would propose August 1st. We'll need a way for members to ask questions and comment and Dr. Kunig will have to decide who will chair that task. As chair of the Bylaws Committee and principal author of the OHAC report and the bylaws revised documents, I would have no problems if members wanted to reach out to me directly with comments or questions or if you wanted it to be filtered through OHFAMA first. It's his call how we do this.

Thanks!

DrG
