

GENERAL INFORMATION

The Northwest Academy of Podiatric Medicine has had this seminar accredited by the Ohio Foot and Ankle Medical Association as an approved sponsor by the Council on Podiatric Medical Education. CME has been approved for up to 24 contact hours. If any state society requires additional documentation through its own accreditation process, we will be more than willing to help expedite the process for any of our registrants. Please check with your individual states/societies for their specific CME/CEI guidelines.

* Scientific Chairman: Molly S. Judge, DPM, FACFAS
