7:30 AM – 5:00 PM
7.5 CATEGORY I CME HOURS

2017 Current Concepts In FOOT AND ANKLE SURGERY SYMPOSIUM

Hosted by the Grant Podiatric Surgical Residency
Program and the OHFAMA Central Academy

Saturday February 4, 2017 | 7:30 am – 5:00 pm
7.5 Category I CME Hours

Embassy Suites Columbus – Airport
2886 Airport Dr., Columbus, OH 43219

THIS ONE DAY SEMINAR will present current concepts and techniques in foot and ankle medicine and surgery. Presentations will include panel and case discussions reviewing wound care, hallux vulgus, arthroscopy, trauma of the ankle and hindfoot and pes planovalgus foot treatment and more with an expert faculty.

WHO SHOULD ATTEND

Podiatric Physicians, Residents and Students

OBJECTIVES

- Recognize and employ conservative and surgical care to commonly encountered foot and ankle conditions with evidence based medicine and updated techniques
- Discuss and solidify current concepts with new trends in foot and ankle pathology
- Measure quality of care with patients by considering treatment options for wound care and infection management, hallux valgus, ankle and hindfoot trauma and the pes planovalgus foot

ACCREDITATION

This Seminar has been accredited by the Ohio Foot and Ankle Medical Association Continuing Medical Education Accreditation Committee (the certifying agency in Ohio for podiatry). CME credit is established at 7.5 Category I contact hours for the State Medical Board of Ohio. **Nondiscrimination:** No person shall be denied registration or participation in any continuing education program provided by this Association for reasons of race, religion, sex, national origin or physical ability. This program is ADA Compliant. Please notify OHFAMA if you require special accommodation for training or attendance at (614) 457-6269.

REGISTRATION

Included with your registration is a light continental breakfast and lunch. Register online at www.ohfama.org; FAX at (614) 457-3375; or mail to: 2017 Surgical Symposium, 1960 Bethel Rd., Ste 140, Columbus, OH 43220-1815. Make check payable to OHFAMA. Registration closes on January 30. Registrations postmarked after that date will be charged the \$25 on-site registration fee without exception.

CANCELLATIONS

A \$25 administration fee will be charged. Cancellations must be received in writing to OHFAMA prior to January 25, 2017. No refunds for cancellations will be honored after that date.

ON-SITE REGISTRATIONS

Online and faxed registration will be closed on January 30; registration cannot be confirmed after that date. For on-site registration, add \$25 to the appropriate registration fee.

CHANGES TO LECTURES OR SCHEDULES

OHFAMA reserves the right to adjust or change any lecture or schedule due to unforeseen scheduling conflicts. Note: There are limited spaces and registrations are on a first-come, first-served basis.

FACULTY DISCLOSURE

Each speaker is required to disclose the existence of any financial and/or other relationships (i.e., employee, consultant, speaker's bureau, grant recipient, research support) she or he might have with (a) manufacturer(s) of any commercial product(s) to be discussed during his/her presentation and/or (b) the commercial contributor(s) of the activity. Any such conflict will be announced by the individual introducing the speaker or by the speaker immediately preceding the lecture.

FACULTY

CHRISTOPHER HYER, DPM — CHAIRMAN

Dr. Hyer is a fellowship trained foot and ankle surgeon and partner at The Orthopedic Foot and Ankle Center, Westerville, Ohio. This is a unique foot and ankle specialty practice comprised of fellowship-trained MD, DO and DPM foot and ankle surgeons and where Dr. Hyer is Co-director of the Advanced Foot and Ankle Reconstruction Fellowship. Dr. Hyer is also the residency director of the Grant Medical Center Podiatric surgery residency. Dr. Hyer is a very active regional, national and

international speaker on foot and ankle reconstruction, orthobiologics and bone marrow aspirate, foot and ankle trauma, total ankle replacement and charcot foot salvage. Dr. Hyer is a dedicated researcher with over 90 peer reviewed published articles in addition to multiple textbook chapters and technique papers.

PATRICK BULL, DO

Dr. Bull attended the Philadelphia College of Osteopathic Medicine and came to Columbus to complete a rotation with the OFA physicians and also completed his residency in Ohio. Following graduation he entered active duty service with the United States Air Force (USAF) and was promoted to Chief of Orthopedic Surgery of the 374th Medical Group. He was deployed across the Pacific Rim with missions that provided medical support to the President of the United States and the White House Staff during the East Asia Summit meeting in Cambodia. Following his military service he returned to Columbus to complete his fellowship training which specialized in foot and ankle surgery.

BRADLY BUSSEWITZ, DPM

Dr. Bussewitz is a fellowship-trained foot & ankle surgeon. A native of Cedar Rapids, he graduated from the University of Iowa followed by medical school at Des Moines University. He completed residency at Grant Medical Center and was honored to complete his formal training with a renowned 12-month adult reconstructive foot and ankle surgical fellowship at Orthopedic Foot & Ankle Center in Columbus, Ohio.

NICK CHENEY, DO

Dr. Cheney attended medical school at the Ohio University College of Osteopathic Medicine and served as a phase IV clinical instructor. Dr. Cheney currently serves as an Adjunct Assistant Professor of Orthopaedic Surgery at the OSU College of Medicine, a Clinical Assistant Professor of Orthopaedic Surgery at the Ohio University Heritage College of Osteopathic Medicine, and a Foot & Ankle Clinical Reviewer for Orthopedics, a peer-reviewed journal covering all aspects of adult and pediatric orthopedic surgery and treatment.

WILLIAM DECARBO, DPM

Dr. DeCarbo completed a three year podiatric surgical residency at Grant Medical Center in Columbus, Ohio where he served as chief resident. Dr. DeCarbo completed a twelve month orthopedic foot and ankle fellowship at the Orthopedic Foot and Ankle Center in Columbus, Ohio. He completed a six week traveling fellowship both nationally and internationally learning

advanced techniques in foot and ankle surgery. Dr. DeCarbo is active in research in the field of foot and ankle surgery and his research is published in peer reviewed professional journals. He also is a review editor for the Journal of Foot & Ankle Surgery and Foot & Ankle Specialist.

MARK HARDY, DPM

Dr. Hardy is a graduate of the Kent State University College of Podiatric Medicine and serves as the Director of the Mercy Foot & Ankle Residency Program. Dr. Hardy is a board certified podiatrist in foot surgery and reconstructive rearfoot & ankle surgery. He has extensive experience in his field, receiving specialized surgical training. He believes in a patient centric practice, providing a number of non-operative and surgical treatment options.

ELIZABETH HEWITT, DPM

Dr. Hewitt is a graduate of the Kent State University College of Podiatric Medicine. She completed her surgical residency at Grant Medical Center where she was chief resident from 2008-2009. Dr. Hewitt is board certified in foot and reconstructive rearfoot surgery. She is a member of the American Podiatric Medical Association, the Ohio Podiatric Medical Association and a partner at Step Lively Foot and Ankle Centers in central Ohio.

SARAH RINCKER, DPM

Dr. Rincker completed her medical school at Des Moines University of Foot and Ankle Surgery in Iowa where she graduated Valedictorian of her class. Dr. Rincker completed her residency at Grant Medical Center where she served as Chief Resident, engaged in research presenting at several annual conferences including the annual ACFAS Conference and winning 1st prize in the Gerard Yu Annual Research Competition in 2013.

RANDALL THOMAS, DPM

Dr. Thomas practices at the Clintonville/Dublin Foot and Ankle Group in Columbus, Ohio. He is the Assistant Director of the Grant Medical Center Foot and Ankle Surgery Residency Program and is involved with the Riverside Methodist Hospital Critical Limb Center. Dr. Thomas specializes in foot and ankle reconstructive surgery including limb salvage, charcot, trauma, and revisional cases. He is a graduate of Barry University and completed his residency training at Grant Medical Center.
