## Queen City Podiatric Symposium

THIRD ANNUAL Cincinnati based seminar featuring lectures from the physicians you know from in and around the area. Topics will range from current options for treatment of chronic wounds, severe PVD, and infections to flat foot, PTTD and the complicated surgical case. In addition, local residents will be presenting lectures on interesting case studies.

There will be an exhibit area that will include the largest companies in medicine. In addition, there will be local restaurant, clothing and activity booths. There will be ample opportunity to visit the multitude of exhibitors in our sponsor area.

Join us to continue the success and the start of something purely Cincinnati for years to come. Up to **8 Category I CME hours** will be awarded with attendance.

# **Cincinnati Podiatry**

Come join your fellow Podiatric physicians from the Cincinnati and Tri-state area for the third Annual Queen City Podiatric Symposium. This event will be held February 11, 2017. The course has been approved for 8 Category I CME hours based on your attendance.

Lecturers are from the Ohio and Indiana area and will be speaking on today's hottest topics. A continental breakfast and lunch will be graciously provided by UC Health West Chester Hospital.

We look forward to seeing you at the Symposium and for years to come.

7700 University Drive West Chester, OH 45069
