

FACULTY BIOS

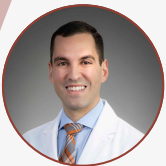

Sarah Abshier, DPM *Seminar Chair*

Dr. Abshier is in a multispecialty practice in Columbus Ohio. She is a board-certified podiatrist and certified wound care specialist. She is a past president of OHFAMA and was a founding board member for the OHFAMA Foundation. She is Ohio's current private insurance advisory committee (PIAC) representative to APMA and also represents Ohio at the APMA House of Delegates. Dr. Abshier is a member of the APMA coding committee and a liaison to the Health Policy and Practice committee. She is also involved in the APMA's Education Committee and HOD reference committee. Dr. Abshier was an alternate advisor to the AMA CPT Editorial Panel on behalf of the APMA. In 2024, she was appointed to the AMA CPT Editorial Panel by the AMA to serve a 4-year term creating and managing medical code for the US health system.

Thom Arnold, DPM

Dr. Arnold is a 1998 graduate of John Carroll University and a 2002 graduate of KSUCPM. Dr. Arnold completed a Primary Podiatric Medical Residency at Cleveland Clinic and a Podiatric Surgical Residency at St. Mary's Medical Center in Northwest IN. Dr. Arnold has been in practice since 2005. He is Board Certified in Foot Surgery by the ABFAS and is a Fellow of the ACFAS. He is the past president the Ohio Foot & Ankle Medical Association (OHFAMA) and Foundation (OFAMF).

Robert Brandao, DPM

Dr. Brandao is a graduate of University of Pittsburgh Medical Center Residency and completed a 1-year advanced foot and ankle surgery fellowship at the Orthopedic Foot and Ankle Center in Columbus, OH. He currently serves as research director and faculty surgeon at the Orthopedic Foot & Ankle Center Surgical Fellowship and practices in the greater Columbus area including Gahanna and Zanesville. He is a Fellow of the ACFAS, Diplomate of the ABFAS, and board-certified in Foot and Reconstructive Rearfoot and Ankle Surgery.

Eric Baskin, DPM

Dr. Baskin is widely considered an expert in the modern field of minimally invasive bunion, hammertoe, and minimally invasive hindfoot reconstruction. He was the first to perform the minimally invasive bunion surgery (MICA bunionectomy) and minimally invasive calcaneal osteotomy surgery (MICO) in the state of New Jersey. In 2020, Dr. Baskin was awarded Bone and Joint Select Top Surgeons in New Jersey Monthly's Top Docs Issue. Dr. Baskin teaches and lectures extensively, conducting cadaver courses each month to teach traveling surgeons from around the country. Dr. Baskin is a fellow of the ACFAS and in 2013 was elected to the Board of Trustees of the New Jersey Podiatric Medical Association.

Robert Brarens, DPM

Dr. Brarens served in the United States Marine Corps upon graduation from high school and had the honor of serving in both Desert Shield and Desert Storm. Honorably discharged, he enrolled in Colorado State University, after which he was accepted into Temple University Medical School. Graduating in the top 10 of his class, Dr. Brarens was selected for one of the top podiatric surgical residencies in the country at Case Western Reserve in Cleveland, Ohio, under Dr. Gerard V. Yu, where he finished as chief resident. In practice for over fifteen years, Dr. Brarens opened SureStep Foot & Ankle Medical Center in 2010. He remains active in the Cincinnati community, both private and medical, lecturing and volunteering locally and nationally.

Michael Brody, DPM

Dr. Brody is in private practice in New York and founded the residency program at the VA hospital in Northport, New York, where he was a staff podiatrist for 27 years. He is currently a co-chair on the EHR Workgroup at HL7. He was a committee member with the Certification Commission for Health Information Technology (CCHIT), the US Technical Advisory Group to the International Standards Organization for Health Information Technology, Integrating the Healthcare Enterprise, the HIMSS Physician Committee, and other local, national and international organizations in the field of health information technology. Dr. Brody maintains the Health Information Technology websites TLDSystems.com, RegistryClearinghouse.com and CMEonline.com. Dr. Brody provides consulting services to PICA and Televere Systems. He is the chief medical officer for Podiatry Plan.

Patrick Bull, DO

Dr. Bull attended the Philadelphia College of Osteopathic Medicine and first came to Columbus in 2003 to complete a medical school rotation with the OFA physicians. He then completed his ortho residency in Columbus, at Doctors West. Following graduation he entered active duty service with the United States Air Force (USAF) and was promoted to Chief of Orthopedic Surgery of the 374th Medical Group. He was deployed across the Pacific region during multiple missions including a special one providing medical support to the President of the United States and the White House Staff during the East Asia Summit meeting in Cambodia. Following his military service, he returned to Columbus to complete his fellowship training in foot and ankle reconstructive surgery, and continues to practice in Columbus, OH.

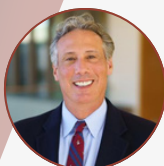

Patrick Burns, DPM

Dr. Burns is a summa cum laude graduate of Dr. William M. Scholl College of Podiatric Medicine in Chicago. He then completed his residency at the University of Pittsburgh Medical Center. He has focused on reconstruction and limb preservation with a fellowship in Kurgan, Russia at the Ilizarov Scientific Center for Restorative Traumatology and Orthopedics. He is a diplomate of ABFAS and faculty of AO North America. He is Director of the West Virginia University, Wheeling Hospital Podiatric Medicine and Surgery Residency. He is a Fellow of the ACFAS.

Nicholas Butler, DPM

Dr. Butler is an Assistant Professor in the Division of Clinical Sciences at KSUCPM. He completed his medical education at KSUCPM and went on to complete post-graduate training at Jefferson Health System in Stratford, NJ. Dr. Butler brings a wealth of knowledge and expertise in both podiatric medicine and surgery with an emphasis on diabetic foot care, sports medicine, pediatric care and preventive medicine. Dr. Butler is on staff at Cleveland Clinic Euclid Hospital. He practiced previously at Cornerstone Foot and Ankle in Sewell, NJ and was one of the teaching attendings at Jefferson Health Podiatric Residency program for four years, prior to joining KSUCPM/CFAC. He is board certified by ABPM and board qualified by ABFAS.

David Caldarella, DPM

Dr. Caldarella earned his podiatric medical degree from the Des Moines University College of Podiatric Medicine, after which he completed his residency training in foot and ankle surgery at The Podiatry Institute at Emory/Northlake Regional Medical Center in Atlanta, GA. He was then selected as a AO Scholar and served his AO orthopedic fellowship training at the Foot, Ankle and Amputee service in the Department of Orthopedic Surgery at Harborview Medical Center, University of Washington Medical School in Seattle, Washington. Dr. Caldarella has served previously as podiatric residency director at both Gundersen Health Systems and St. Elizabeth's Bone and Joint Center in Boston, MA. He has held the position of Assistant Clinical Professor of Orthopedic Surgery at the Warren Alpert School of Medicine at Brown University since 2019 and currently heads their developing podiatric foot and ankle service line at BrownHealth.

Aaron Chokan, DPM

Dr. Chokan earned his Doctor of Podiatric Medicine from KSUCPM. He completed a two-year postsurgical residency, serving as chief resident, through University Hospitals in Cleveland, Ohio. Dr. Chokan pursued additional training, obtaining total ankle replacement certification with the Stryker STAR™ and Wright Medical Group INBONE™ systems, among other advanced foot and ankle surgical treatments. Dr. Chokan is currently board certified through the ABFAS and a fellow ACFAS and the ACCWS. He serves on the teaching faculty at St. Vincent Charity Medical Center Podiatric Surgical Residency program in Cleveland, Ohio. He also gives his office time to train residents of the Family Practice Residency program through Akron City Hospital in Ohio.

David DeLuccia, LPO

Mr. DeLuccia is a board-certified prosthetist and orthotist who specializes in lower extremity orthotics, wound care, and post-amputation recovery. After completing his residency, he received his Certificate in Orthotics from the Newington Certificate Program before joining the professional staff at American Orthopedics. Mr. DeLuccia is a past President of the State of Ohio Orthotic, Prosthetic and Pedorthic Licensure board.

Lawrence DiDomenico, DPM Seminar Chair

Dr. DiDomenico is in private practice in Youngstown. He is an adjunct professor at the Kent State University College of Podiatric Medicine. He is the Director of Reconstructive Rearfoot and Ankle Surgical Fellowship and the Director of Residency Training at Northside Hospital. He has a special interest in diabetic wound care, diabetic foot and ankle reconstruction, hallux valgus and total ankle replacement.

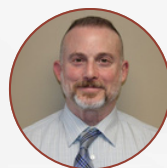

Jaqueline Donovan, DPM

Dr. Donovan is a board-certified foot and ankle surgeon specializing in trauma, reconstructive surgery, and limb salvage. She is the owner of Erie Foot and Ankle Center in Beachwood, Ohio, and serves as an Assistant Professor in the Division of Foot & Ankle Surgery and Biomechanics at Kent State University College of Podiatric Medicine. Additionally, she is the Fellowship Director for the University Hospitals Advanced Limb Salvage Foot and Ankle Fellowship and an attending physician with the University Hospitals Foot and Ankle Surgical Residency. Dr. Donovan completed her surgical residency and fellowship at Grant Medical Center in Columbus, OH. She is a Fellow of the ACFAS and contributes to the ABFAS Case Review Committee.

Stephen Frania, DPM

Dr. Frania is a board-certified foot and ankle surgeon practicing at Ohio Foot and Ankle Specialists located in Mentor and Westlake, Ohio. He has been treating foot and ankle disorders for over 25 years. Dr. Frania is the fellowship director of the prestigious Foot & Ankle Specialists of Ohio Reconstructive Surgery and Deformity Correction Fellowship. He obtained his Doctor of Podiatric Medicine degree in 1993 from Kent State University of Podiatric Medicine, then completed his residency in St. Francis Medical Center in Hartford, CT. He is a founding board member of the American Microsurgical and Orthoplastic Society (AMOS).

Marc Greenberg, DPM

Dr. Greenberg is a graduate of Scholl College of Podiatric Medicine and is in private practice in Dayton, OH. Dr. Greenberg currently serves as an APMA Delegate for the OHFAMA, is the Trustee for the Midwest Academy and past president of OHFAMA. He is board certified in foot surgery by ABFAS.

Suhad Hadi, DPM

Dr. Hadi, DPM graduated from OCPM, and completed her residency at the University of Texas at San Antonio. She continued as faculty at UTHSC-SA where she served as Director of Resident Education for 3 years. She then went on to private practice with Mercy Medical Group, now Dignity Health, in Sacramento, CA. While there she served as Chief of Podiatry within the group and served as Medical Director of their Timberlake satellite clinic. She has been with the Veterans Administration since 2009 and was Director of the PAVE (Prevention of Amputations in Veterans Everywhere) program in Seattle, WA and is now full-time faculty at Louis Stokes Veterans Administration in Cleveland at the Akron CBOC facility. Her training and work have given her a strong background in diabetic foot and limb salvage.

Elizabeth Hewitt, DPM

Dr. Hewitt is a graduate of KSUPM. She completed her surgical residency at Grant Medical Center where she was chief resident from 2008-2009. Dr. Hewitt is board certified in forefoot and rearfoot surgery as well as certified in Ankle Replacement Surgery. She completed a reconstructive external fixation fellowship at the Instituto Clinico in Milan Italy. She is a member of the APMA, the OHFAMA and practices with Foot and Ankle Physicians of Ohio in Grove City. Dr. Hewitt is a fellow of the ACFAS.

Zachary Hill, DPM

Dr. Hill earned his Biology/Pre-Medicine degree from Walsh University before attending KSUCPM. He completed his residency at Grant Medical Center in Columbus, OH, serving as chief resident in his final year. Dr. Hill is currently completing a one-year fellowship in foot and ankle reconstruction at AHN/Indy Foot and Ankle Reconstruction Surgical Fellowship in Indianapolis, IN. He will soon be joining Southeastern Medical Center, an OhioHealth affiliate, in Cambridge, OH.

Mark Hofbauer, DPM

Dr. Hofbauer practices at WVU Medicine Wheeling Hospital. He received his Doctorate from the Ohio College of Podiatric Medicine and completed an Internal Fixation Trauma Fellowship at The Free University of Berlin, Germany and in Interlaken, Switzerland. He is Board Certified in Foot and Ankle Reconstructive Surgery by the ABPS, and he is also a fellow of ACFAS.

Byron Hutchinson, DPM

Dr. Hutchinson graduated from the California College of Podiatric Medicine in San Francisco, CA. He completed a surgical residency in Reconstructive Foot & Ankle Surgery at Waldo General Hospital in Seattle, and began private practice in Burien, WA. He is currently the Medical Director of Foot & Ankle Services at CHI/Franciscan Health and currently serves as the Fellowship Director. He travels twice a year to the Yucatan Crippled Children Project taking residents from the CHI/Franciscan and Swedish Residency program to work with the staff and residents from the Barry University School of Podiatric Medicine and the Orthopedic Red Cross Hospital in Merida, Yucatan, Mexico. Dr. Hutchinson is Board Certified in Foot & Ankle Surgery by ABFAS. He has special interest in complex foot, ankle and leg conditions and has undergone extensive training in the management of these conditions. Dr. Hutchinson is a Fellow and Past Board of Directors of ACFAS and is an author of several peer-reviewed scientific papers and chapters in textbooks on foot and ankle surgery.

Christopher Hyer, DPM *Seminar Chair*

Dr. Hyer is a board certified, two-year orthopedic fellowship-trained foot and ankle surgeon and partner at the Orthopedic Foot & Ankle Center (OFAC), a multi-specialty foot and ankle practice in Columbus, OH. Dr. Hyer is co-director of the advanced foot and ankle reconstruction fellowship training both DPM and MD/DO Orthopedic physicians at OFAC. Dr. Hyer is very active in research and has authored over 170 peer reviewed scholarly publications as well as multiple textbook chapters and co-editor of the 1st and 2nd editions of Primary and Revision TotalAnkle Arthroplasty textbook and editor of Essential Foot and Ankle Surgical Techniques. Dr. Hyer has expertise in all areas of foot and ankle surgery with special interest in cartilage replacement techniques, reconstructive and deformity correction surgery, sports and trauma injury repair and is a leader in total ankle replacement. He has also been actively involved in product development and invention and holds several patents on numerous orthopedic implants and devices.

Andrew Kapsalis, DPM

Dr. Kapsalis graduated from Dr. William M. Scholl College of Podiatric Medicine in 2014 and completed his residency at Loyola University Medical Center in 2017. The following year he did a Reconstructive Foot and Ankle Surgery Fellowship at American Health Network in Greater Indianapolis where he is currently practicing as a foot and ankle surgeon and is also an attending at the Indy Foot & Ankle Fellowship Program.

Mary Kavanaugh, DPM

Dr. Kavanaugh, a Chicago native, went to undergrad at Bradley University and podiatric medical school at Rosalind Franklin University in Chicago. She then went on to MedStar Georgetown University for her residency and is now at the WVU Advanced Surgical Foot & Ankle Fellowship under directorship of Dr. Mark Hofbauer.

Sarah Kittle MA, RD, LD, CLT

Ms. Kittle is a registered dietitian for Featherstone Nutrition, working with runners to help fuel their bodies for optimal performance and everyday life. She received a Bachelors of Science in Dietetics from Olivet Nazarene University and was a 3 time All-American runner for their track and cross country teams. Ms. Kittle went on to complete a Masters of Arts in nutrition and a dietetic internship at Ball State University. She began her career as a clinical dietitian working both inpatient and outpatient at a Cardiac Rehab facility, then moved into private practice for four years, specializing in eating disorders, digestive issues, and general wellness. She began her career at Featherstone Nutrition in 2025.

Bradley Lamm, DPM

Dr. Lamm is known globally for his expertise in treating foot and ankle deformities. He has extensive experience in joint distraction, a new technique which uses external fixation to preserve ankle and toe joints and prevents the need for fusion or replacement. Dr. Lamm performs minimally invasive surgery techniques to correct diabetic Charcot foot and to lengthen the metatarsals and toes for patients with Brachymetatarsia. Throughout his career, Dr. Lamm has been awarded numerous grants, published medical research in national and international journals on foot and ankle research (he has over 75 book chapters and peer review research articles). Dr. Lamm is the editor of the Research Section of the Journal of Foot & Ankle Surgery and a peer reviewer for various medical journals. He serves as a medical advisor on the Board of Directors for the Board of Certification/Accreditation, International. He is a Rotation Director and Professor at Harvard Medical School and trains physician residents from many surgical programs across the United States.

Jeffrey Lehrman, DPM

Dr. Lehrman is a podiatrist and a Certified Professional Coder and Certified Professional Medical Auditor. He operates Lehrman Consulting, LLC which provides guidance regarding coding, compliance and documentation. Dr. Lehrman serves as a staff liaison at the AMA CPT® Editorial Panel meetings where CPT codes are created, edited, and deleted.

Deana Lewis, DPM

Dr. Lewis graduated from Kent State University College of Podiatric Medicine in 2021 and recently graduated from a comprehensive foot and ankle surgical residency at The Ohio State University Wexner Medical Center. Currently, she is a Fellow Physician in reconstructive foot and ankle surgery at Foot and Ankle Specialists of Central Ohio.

Daniel Logan, DPM

Dr. Logan attended The Ohio State University and later graduated from KSUCPM in 2002. Dr. Logan completed Surgical Residency Training at the Cleveland Clinic. He is currently the director of the Foot & Ankle Specialists of Central Ohio Reconstructive Foot & Ankle Surgery Fellowship. He specializes in minimally invasive foot surgery, as well as joint replacement and deformity correction. He is Board Certified in Foot Surgery and Reconstructive Rearfoot and Ankle Surgery by ABFAS. He is also Board Certified by ABPM. Dr. Logan is a Fellow of ACFAS and ACPM. He is a graduate of the Global Clinical Scholars Research Training Program at Harvard Medical School.

Jeffrey Loveland, DPM

Dr. Loveland graduated from Barry University School of Podiatric Medicine in 2004. He completed a three-year surgical residence at Western Pennsylvania Hospital in Pittsburgh, Pennsylvania in 2007. Dr. Loveland is in private practice in Sparta, Tennessee and specializes in foot and ankle reconstruction. He has published a number of articles in peer review journals and has been involved in numerous clinical trial studies.

Lahari Madulapally, DPM

Dr. Madulapally graduated from Barry University School of Podiatric Medicine in 2021. She completed a three-year residency at MedStar Washington Hospital Center in Washington, DC. Currently, Dr. Madulapally is a Fellow Physician at Foot and Ankle Specialists of Ohio.

Bryan Markinson, DPM

Dr. Markinson is currently the Chief of Podiatric Medicine and Surgery in the Leni and Peter W. May Dept. of Orthopedic Surgery of the Icahn Schol of Medicine at Mount Sinai in New York City. He is certified by the American Board of Podiatric Medicine. He is a frequent lecturer nationally on various aspects of podiatric dermatology and nail pathology.

Suhail Masadeh, DPM

Dr. Masadeh is a graduate of KSUCPM and completed his fellowship in advanced reconstructive foot and ankle surgery. He has extensive training in the evaluation and management of foot, ankle, and lower leg pathology. His clinical interests include diabetic foot management / reconstructive surgery & limb salvage, and peripheral nerve surgery. Dr. Masadeh serves as Associate Professor of Clinical-Affiliate and Residency Program Director of the Division of Podiatric Medicine and Surgery at the University of Cincinnati College of Medicine.

Amy Masowick, DPM

Dr. Masowick is a board-certified podiatric physician who graduated from William Scholl College of Podiatric Medicine. She completed her residency at a level 1 trauma facility where she developed expertise in surgical intervention for traumatic foot and ankle injuries. She is also well-trained regarding conservative and elective surgery options for treatment of bunions and toe pain, heel pain, arthritis, neuromas, and sports injuries, as well as skin and nail conditions. Dr. Masowick currently practices with Cincinnati Foot and Ankle Care.

Robert Mendicino, DPM Seminar Chair

Dr. Mendicino is a board certified by the American board of foot and ankle surgery in foot and rearfoot and ankle surgery. He has over 150 peer reviewed publications and has lectured extensively throughout the United States and abroad. Dr. Mendicino is the past director of the Grant Medical Center foot and ankle residency and a past president of the ACFAS.

Al Anthony Mercado, Esq

Mr. Mercado is a Partner at Feldman Kieffer, LLP located in Buffalo, NY. Over his 30 plus year career He has successfully litigated cases at the trial level throughout New York State with a special focus on the defense of complex malpractice cases. Mr. Mercado has vigorously represented healthcare professionals in the fields of medical, podiatric and dental professional liability, general liability, and insurance before the New York State Office of Professional Medical Conduct (OPMC) and the New York State Office of Professional Discipline (OPD). He has extensive experience in Alternative Dispute Resolution (ADR), having managed and participated in the arbitration/mediation of nearly 200 cases. Mr. Mercado is a member of the New York State Bar Association, Erie County Bar Association, Suffolk County Car Association and The Association for Healthcare Risk Management of New York (AHRMNY).

Cameron Meyer, DPM

Dr. Meyer graduated from the Scholl College of Podiatric Medicine at Rosalind Franklin University of Medicine Surgery in 2021 and completed a three-year residency at UPMC in PA. Currently, he is a Fellow with Orthopedic Foot and Ankle Center in Worthington, Ohio.

Kristina Minniti, DPM

Dr. Minniti graduated summa cum laude graduate from KSUCPM. She completed her residency program with Southwest General Health Center and is further honing her surgical expertise through a prestigious ACFAS Fellowship under the mentorship of Dr. Aaron Chokan, DPM. Dr. Minnit is currently serving as an Associate Physician at Ohio Foot and Ankle Center (OFAC) in Canton, Ohio.

Gina Palazzi, DPM

Dr. Palazzi received her undergraduate degree in Biology with a Healthcare Studies Minor. She went on to receive her Masters from the University of Miami, where she shadowed the team podiatrist for the Miami Heat. At this time, she quickly decided upon attending podiatry school, graduating from Barry University School of Podiatric Medicine. Dr. Palazzi completed her residency at Geisinger Community Medical Center, where she served as Chief Resident. Currently, she is a Fellow Physician at Foot and Ankle Physicians of Ohio.

Richard Park, DPM

Dr. Park graduated from KSUCPM in 2021 and completed his residency at University Hospitals specializing in podiatric surgery and lower extremity reconstruction surgery. Currently, he is a Surgery Fellow at University Hospitals Community Consortium and Erie Foot and Ankle Center in Ohio.

Nathaniel Preston, DPM

Dr. Preston graduated from KSUCPM and completed his residency at Grant Medical Center in Columbus, OH. He has double board certification in Foot as well as Reconstructive Rearfoot and Ankle Surgery. Currently, Dr. Preston practices at OhioHealth Physician Group in Columbus, OH.

William Scherer, DPM

Dr. Scherer has maintained a private practice in South Florida since 1991 and has served 17 years as an Adjunct Professor at Barry University School of Podiatric Medicine. He has published several peer reviewed articles on onychomycosis, is board certified by the American Board of Podiatric Surgery and is the Senior Podiatric Medical Advisor to Back Diagnostics.

Jeffrey Strakowski, MD

Dr. Strakowski completed his undergraduate studies at Indiana University and attended medical school and completed his residency at The Ohio State University Department of Physical Medicine. Dr. Strakowski is board certified in Physical Medicine and Rehabilitation, with subspecialty certifications in Neuromuscular Medicine, Sports Medicine, and Spinal Cord Injury Medicine. He is also ABEM certified in Electrodiagnostic Medicine and ARDMS Certified in Musculoskeletal Ultrasound. Dr. Strakowski is a Clinical Professor in the Department of PM&R at The Ohio State University, as well as Director of Medical Education in the Department of PM&R at Riverside Methodist Hospital.

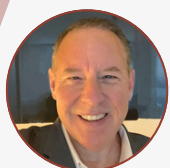

Deepak Sudheendra, MD, HCI, RPVI, FSIR

Dr. Sudi is a Board-Certified Vascular and Interventional Radiologist internationally known for his expertise in treating complex vascular disease. In 2023, he established the 360 Vascular Institute, a cutting-edge outpatient center that boasts national accreditation and embodies Dr. Sudi's vision of unparalleled, comprehensive vascular care. He was an Assistant Professor of Interventional Radiology & Surgery at the University of Pennsylvania Perelman School of Medicine. For over a decade, he cultivated a thriving practice focused on peripheral arterial disease (PAD) and critical limb ischemia while pioneering the DVT and Complex Venous Disease Program at the prestigious Hospital of the University of Pennsylvania.

Randall Thomas, DPM

Dr. Thomas is a partner at the Orthopedic Foot and Ankle Center, an OrthoAlliance Practice, in Columbus, Ohio. A graduate of Barry University and Grant Medical Center Foot & Ankle Surgery Residency training program. Dr. Thomas holds the prestigious double board certification in Foot as well as Reconstructive Rearfoot and Ankle Surgery. Dr. Thomas has served in various leadership roles, committees, and board of directors in hospital systems and societies throughout Central Ohio. Dr. Thomas is a Fellow of the ACFAS and a Diplomate of the ABFAS. He has lectured and moderated on foot and ankle surgery at local, regional, and national meetings. Dr. Thomas' research and practice focuses on advancing surgery options for bunions. Dr. Thomas has authored peer reviewed literature and texts, and he has been featured in news interviews and quoted in articles.

Glenn Weinraub, DPM

Dr. Weinraub earned a degree in Molecular Biology from California State University. During his time as a professional Ski Patrolman at Mammoth Mountain he was influenced by a local general orthopaedic surgeon to become a foot & ankle surgeon. He completed a three-year podiatric surgical residency program at Fairfax Hospital/Georgetown University Hospital in Northern Virginia. This included a six-month training program in reconstructive lower extremity plastic surgery. Once in practice he became involved with research and education, eventually becoming President of the ACFAS. Today, he is on the academic staff at two podiatric medical colleges and is the CEO of a philanthropic surgical organization known as Bones Pro Bono. Bones Pro Bono is a group of Orthopaedic & Podiatric surgeons who donate their time and skills to the Danang Orthopaedic Hospital in Vietnam. Dr. Weinraub specializes in Ankle Joint Replacement, Trauma, Arthroscopy, and adult ankle & foot deformities.
